25 0400CST 0 0 Strong Wind
 1600CST

An intense area of low pressure brought strong winds to northern Illinois and northwest Indiana. Peak wind gusts were near 50 mph. Some recorded winds include 56 mph at Morris in Grundy County, 55 mph at Waukegan in Lake County, 53 mph at Rockford in Winnebago County, and 49 mph at O'Hare Airport in Chicago. The winds knocked down a few tree limbs causing scattered power outages. Altogether 74,000 ComEd customers lost power. There was some minor damage at construction sites in Evanston and Northbrook. Also in Evanston, a window was blown out on a high rise building. Flights were delayed from an hour to 90 minutes at O'Hare Airport.

INDIANA, Northwest
